# **Liberty Summer APEX Credit Retrieval**

Liberty High School will be offering **FREE online credit retrieval** via APEX for English, math, and social studies classes for current 12<sup>th</sup>, 11<sup>th</sup>, and 10<sup>th</sup> graders this coming June. This is an opportunity for a current Liberty student to make up one semester of a class needed for graduation that he/she has previously failed. The policies / procedures for this FREE credit retrieval opportunity are below:

- **Registration will take place on Friday, June 2<sup>nd</sup>, 2017 between the hours of 1:30pm and 3pm in the Liberty High School cafeteria.** As there is limited space available in the program, enrollment will be on a first-come, first-serve basis. **Parents must be present when the student enrolls.** There is no waiting list for students to participate in this program.
- Students must be current Liberty students from the Classes of 2017, 2018, or 2019.
- Students can only retrieve credit for an English, math, or social studies class that he/she either previously failed OR receive a No Mark (NM) for.
- **Students who participate in the program are expected to attend ALL in-person meetings (see the attached tentative calendar).** Students cannot miss one class or be tardy - NO EXCEPTIONS. Students who have absences or tardies during the program will be dropped. Therefore, students who already have summer plans during the timeframe of the program should enroll in regular CCSD summer school instead.
- Students and parents will be required to complete and sign both the Academic Integrity Policy and APEX Online Course Contract at the time of registration.
- **Students who participate in the program MUST finish by the end date and time as indicated on the Summer APEX Calendar.**
