### **Nevada Learning Academy (NVLA)** **Concurrent Enrollment (2017-18)**

Liberty students have the option of enrolling at Nevada Learning Academy concurrently and completing coursework online in order to retrieve missing credits, redo classes to improve their GPA, get ahead on credits, or take classes that are not offered at Liberty High School.

#### **General information about NVLA concurrent enrollment:**

- Semester-based classes cost \$50 to take
- Classes are offered in two different online formats (depending on the students' needs):
  - o **Teacher-led:**
    - in CANVAS
    - NCAA approved
    - start and end on regular semester timeline
    - Include honors and AP classes
    - Semester 1 classes only offered semester 1, sem 2 classes only sem 2
  - o **Independent Study:**
    - in APEX
    - Students move at their own pace and complete the class as soon as they are able to.
    - Start at the beginning of each quarter and **MUST** be completed by the end of that same quarter
    - Can complete any semester class during any quarter of the year
- Students enroll in (and drop) NVLA classes through their home school (Liberty) counselor. However, once enrolled, all communication regarding the course(s) is made through NVLA directly (via email). **Students who experience any issues or concerns with their NVLA concurrent classes are encouraged to contact NVLA directly at (702)855-8435.**
- Students can work on classes from the comfort of their own home (24 hours a day, 7 days a week).
- **Students MUST complete all assessments (tests and quizzes) at a satellite testing location during after school hours. The closest NVLA satellite testing location is located at Silverado High School\*.(See attached)**
- Please refer to the following pages for additional 2017-18 NVLA information regarding:
  - o Important dates and deadlines
  - o Course offerings
  - o Additional satellite testing locations (and contact info)
