The Spierer Scholarship

The Fred & Barbara Spierer Scholarship were created during the 2014-2015 school year to honor Mr. Spierer for his contributions to Liberty High School and the legal field. Mr. Spierer was a teacher at Liberty High School from 2004-2014. He served as a teacher, coach, club advisor and mentor to students and staff. He formed Law Club and Students Against Violence Club (S.A.V.E.) while he was at Liberty High School. Mr. Spierer has also contributed to the legal field by serving as a probation officer in Orange County, CA for 20 years. Mr. Spierer and his wife, Barbara initiated and was successful in passing a federal child passport restriction law in 1999 protecting children from being abducted by a non-custodial parent. While on campus Mr. Spierer's contributions were limitless and will forever impact our schools legacy. Therefore, in honor of Mr. Spierer's commitment to law and education we would like to give back in his name. We are proud to present The Spierer Scholarship for the 2016-2017 school year.
