

The Bank of America Student Leaders® Program

The Bank of America Student Leaders® Program is accepting applications for the 2018 Student Leaders® program. As a long term partner in this I am hoping that you will again help in spreading the word to all the high schools in the Clark County School District.

Since its inception in 2005, the Bank of America Student Leaders Program has recognized more than 2,500 exemplary high school juniors and seniors who have a passion for improving their communities. The program helps students gain a greater understanding of how nonprofits create impact in the community and helps develop them as the next generation of community leaders through two components:

- A summer eight-week paid internship with the Boys and Girls Club of Southern Nevada. This internship is designed to provide opportunities for the students to develop and apply leadership skills through hands-on work experience, while raising their awareness of community issues addressed by the Boys and Girls Club.
- The week-long, all-expense paid Student Leaders Summit in Washington, D.C. from July 8-13, 2018. Conducted in partnership with the Close Up Foundation, the Summit introduces students to aspects of civic, social and business leadership and provides them with knowledge and skills they will use throughout their life to create positive community change.

In order to spread the word about the opportunity to your Principals, Counselors, and affiliates, please distribute the attached flyer or forward my email.

We appreciate your help spreading the word about the Bank of America Student Leaders Program. Students can apply for the program by going to www.bankofamerica.com/studentleaders. Please note the application opens on October 30, 2017 with a deadline of February 2, 2018. There will be no deadline extensions.
