

Cultivating College Knowledge

Clark County School District is proud to be participating in Nevada College Application Month throughout October.

Attention Seniors: This year will be the first year that **Apply Nevada!** College Application Events will be taking place in Clark County.

At these workshops, you can **complete the Free Application for Federal Student Aid (FAFSA)** AND you can **complete college applications** to any of Nevada's public colleges or universities.

These events have been made possible by a collaborative effort between Clark County School District (CCSD), the Nevada System of Higher Education (NSHE), all seven public colleges and universities, as well as Go To College Nevada, GEAR UP, Democracy Prep, and others. **Apply Nevada!** is your one-stop-shop for applying to college! For more information, go to <https://apply.nevada.edu>.

This month we encourage all students to participate in various events available throughout the Las Vegas valley in an effort to explore and prepare for post-secondary education, including certificate programs, two-year degrees, and four-year degrees.
